## Arrival by car

Murten is connected to the motorway A1 (Bern - Lausanne). You leave the motorway at the exit MURTEN and follow the signs "Murten/Murten-Ost" for 2 km. At the first roundabout (BP petrol station) bear right. At the second roundabout bear right again, direction "Muntelier". After 200 m you will see our futuristic hotel. We wish you a pleasant and safe journey. You can of course also reach us by public transport. We will gladly collect you at the train station with our own hotel-minibus. Please inform our reception of your time of arrival.
